**SUPERMAN, THE PHANTOM STRANGER,**  
**THE DEMON, JONAH HEX.**

Living in a dark world of terror alerts and censored media, Clark Kent has no memory of being anything other than human—until the Phantom Stranger appears to tell him that he is really Superman, and that all of Earth has fallen prey to malevolent magic. For 1,500 years, three evil sorcerers have been casting a spell to separate man from his super powers, and render super desperate manhoods blood—even as they plot a final death trap.
