Pierre-Auguste Renoir
French, 1841-1892

Two Sisters of the Artist, 1881
Oil on canvas

© 2011 The Art Institute of Chicago. All rights reserved.

Pierre-Auguste Renoir painted this delightful Impressionist scene in his garden, with his sister, the artist's daughter, and his wife, in the foreground. The painting was made in 1881, when Renoir was in his late 40s. It is a beautiful example of his Impressionist style, with its soft, visible brushstrokes and focus on light and color. The painting is now in the collection of the Art Institute of Chicago.
